# Manuals

If you have a suggestion concerning the information in the provider manuals, please let us know. We want the manuals and the Medicaid Information Bulletins to assist you as a Medicaid provider. We appreciate and consider your suggestions. Comments about the manuals and bulletins may be directed to: [medicaidops@utah.gov](mailto:medicaidops@utah.gov)

[Utah Medicaid Provider Manual](#)

Select "Utah Medicaid Provider Manual"

This manual is intended to give you basic information about Utah's Medicaid Program and other medical assistance programs administered by the Utah Department of Health. It contains three sections. SECTION 1 contains general information for all providers. SECTION 2 contains information pertinent to your provider type. The last section contains attachments for all providers and any additional attachments pertinent to your provider type.
