**Policy and Compliance Structure for Insurance Opioid Regulation with the  
Centers for Disease Control and Prevention (CDC) and the State of Utah**

Updated 8/2017

---

**ATTESTATION**

We have reviewed the guidelines set forth by the Centers for Disease Control and Prevention (CDC) and The State of Utah for opioid prescribing. We attest that our policy, procedures, and guidelines for opioids are in line with and consistent with those of the aforementioned guidelines. These guidelines have been used in the development of our “prescribing policy”, opioid initiatives, and safety practices.
