- **CHIP (Children’s Health Insurance Program)**
  Provides medical and dental insurance for uninsured children in families who qualify based on family size and income. For more information, visit: [www.health.utah.gov/chip](http://www.health.utah.gov/chip)

- **UPP (Utah’s Premium Partnership for Health Insurance)**

WHAT DO I NEED TO DO NEXT?

On your application, tell us about all of your family members who live with you.

- For adults who need coverage, include, even if they are not applying for coverage, the following individuals: Spouse, children/stepchildren under age 21 and anyone else you claim on your federal tax return.

- For children under age 21 who need coverage, include, even if they are not applying for coverage, the following individuals: Spouse, parents/stepparents, siblings that live with you and any children/stepchildren.

Note: You do not need to file a tax return to receive medical coverage.

You can apply for and get benefits for eligible family members, even if your family includes other members who are not eligible because of their immigration status. For example, U.S. citizens or legal immigrant children may qualify for benefits even though their parents may not qualify. If you file taxes, we need you to tell us about everyone on your tax return. The program you qualify for depends on the number of people in your family and their income. This information helps us make sure everyone gets the best health coverage.

- If I give any false information or fail to report changes, I may be prosecuted for fraud. Benefits may be reduced, denied or stopped because of the reported information. If I receive benefits I am not eligible to receive, I must repay the State.

- The State has the right to recover from my estate all money spent to pay my medical bills if I receive Medicaid at any time while I am 55 years of age or older. The State will only collect after my spouse and I die. The state may place a lien on my property if I enter a nursing home.

- The State will not recover from my estate costs paid by the Medicare cost-sharing programs (QMB, SLMB, QI).

- I authorize the State to tell my healthcare providers if I am eligible for benefits. While I am eligible, the State may exchange information with my health insurance provider or employer.

- I must cooperate with the State in pursuing any third party responsible for medical expenses. I must cooperate with the State to establish medical support or paternity for my family. If I have good cause not to cooperate, I will not be required to cooperate.

- If found eligible for certain Medicaid programs, I will be required to participate with community engagement activities, which include registering for work, completing an online job assessment and training modules, and applying for 48 jobs, unless I am found to be exempt or meet good cause criteria. If I don’t participate, I may not be eligible for Medicaid until I do participate, meet an exemption or good cause criteria. I will be notified if I need to participate.

For a list of exemptions and good causes, see Attachment E.

- I must report any changes within 10 days. This includes changes in my income, address, phone number, household size, and access to health insurance coverage.

- I will receive a medical card for myself or others in my family if determined eligible. I will only allow the person named on the medical card to use it to receive services.

- I assure that all household members applying for medical assistance are U.S. citizens or aliens in lawful immigration status. Someone who only needs help for a medical emergency does not have to be a citizen or lawful alien. I do not have to report the citizenship information of someone who is not applying. The State verifies lawful alien status with the U.S. Citizenship and Immigration Service. The State will not report undocumented people in my home.

- The Utah Statewide Immunization Information System (USIIS) is an electronic registry. It keeps complete, up-to-date records of my child’s immunization history. For more information, or to withdraw my child from USIIS, I can call 1-800-275-0659.

- The Utah Clinical Health Information Exchange (cHIE) is an electronic system that gathers my medical history from participating cHIE healthcare providers. The cHIE provides a safe place for my healthcare providers to share my medical information. For more information or to opt out of the cHIE participation, I can visit www.mychie.org or contact my healthcare provider.

- If I receive payments under a long-term care partnership insurance plan, some assets may not count to decide my eligibility. In this case, the State will not recover medical costs from those assets after I die.

- I have been given a copy of the Rights and Responsibilities and Change Reporting Requirements.

- The benefits I am eligible to receive may be changed without my knowledge or consent. I must pay any co-pays to providers when I receive services unless I am exempt from those co-pays.

- The medical benefits I may receive are described in the State’s Provider Manuals. I am not eligible for services that are not listed in these manuals. I understand the State may change these manuals without my consent or knowledge.

- I must follow the medical assistance program rules. My spouse and/or children, if eligible, must also follow these rules.

- I authorize the State to verify any information provided. I understand this occurs when I apply for and after I receive benefits.

- I may ask for a fair hearing if I disagree with the decision made on this application.

- If the State pays for my medical care, I assign to it my rights to payments for medical services from any third party. I will give the State any money I receive from an insurance policy or from someone who must pay my medical costs. I authorize payments be made directly to the State. I will hold harmless any party making payment to the State.
I understand the State will use Social Security Numbers for those who are applying for benefits to make sure households are eligible for benefits. The State uses the State Income and Eligibility Verification System to do computer matches. The State uses the information it finds for benefit reviews and audits. The agencies that may receive, provide or use this information include: Workforce Services, Health, Human Services, Homeland Security, Social Security, and Internal Revenue Service. The State may also use information from consumer reporting agencies. The State may ask for information from banks or credit unions, and other organizations or people who may have eligibility information about my household. I must give the State proof that shows my household is eligible.

I, (print name) ________________________________________, have read the statements above or someone has read them to me. I understand and agree to those statements. Under penalty of perjury, I swear that the answers I give on this application are complete and correct. I am the person represented by the signature on this document. I know I may be subject to federal or state penalties if I give false or untrue information. Providing a Social Security Number and information pertaining to immigration or alien status is voluntary; however, any person who wants assistance but does not provide such information may not be eligible for benefits. Failure to provide this information will not subject the applicant to criminal charges.

YOUR RIGHTS & RESPONSIBILITIES (Cont.)

YOU HAVE THE RIGHT TO:

• Apply or re-apply any time for medical benefits.
  Some medical benefits are only available during open enrollment periods. If you need help to apply, ask for help from our staff.

• Receive a notice when we approve or deny your application.
  The notice will tell you the reason for the decision. For medical benefits, we have 30 days to process your application. We have 90 days if you claim to be disabled. You can ask for more time. If you need more time, let us know before the end of the 30 or 90 days.

• Receive a notice when we reduce, stop or hold your medical benefits.
  We will notify you 10 days in advance before we take any negative actions.

• Look at information in your case.
  Information about you and your case is confidential. We may give information to other agencies to decide if you are eligible for other benefits.

• If you do not agree with decisions we make:
  ○ Talk to your worker. Make sure you understand the decision.
  ○ Talk to your worker’s supervisor.
  ○ Talk to Constituent Services: 1-801-526-4390 or call toll-free 1-800-331-4341
  ○ Ask for a fair hearing. You have 90 days to ask for a hearing. If you ask within 10 days of the notice date, your benefits may continue during the hearing process.
  ○ You cannot have a hearing if you are denied for presumptive eligibility.
  ○ You may have a lawyer help with your fair hearing. You may qualify for free legal help from Utah Legal Services. In Ogden, call 1-801-394-9431 or in Salt Lake, call 1-801-328-8891. The toll-free number is 1-800-662-2538. You may also ask for a referral for legal help from the Salt Lake Lawyer Referral at 1-801-531-9075.

YOU ARE RESPONSIBLE FOR:

• Verifying information for us to decide if you are eligible for benefits.
  ○ With certain exceptions, you must give us the Social Security Number (SSN) of each household member who wants medical benefits (Social Security Act (U.S.C. 1320 b - 7 (a) (1))). The State uses your SSN to make sure you are eligible. The State does computer matches through the State Income and Eligibility Verification System. The State uses computer match data for benefit reviews and audits. If you do not have a SSN, you must prove you have applied. You may be eligible for benefit while you wait for your number.
  ○ If you apply for Medicaid only to cover emergency services, you do not have to give us a SSN.

• Cooperating and providing information about other sources of medical payments and on obtaining medical support.
  If you feel you could be harmed by giving this information, you can ask for a “good cause” claim. Your worker can explain the process.

• Cooperating on reviews of your case by Quality Control, Recovery Services, and the Bureau of Eligibility Policy.

• Following medical benefit rules.
  This applies to you and your medical household members.

• Utah Statewide Immunization Information System (USIIS)
  The State enrolls children who receive Medicaid in USIIS. If you do not want your children enrolled in this system, call the USIIS HelpLine at 1-801-538-6872 or the Immunization Hotline at 1-800-275-0659.

• Utah Clinical Health Information Exchange (cHIE)
  If you receive medical benefits (Medicaid, CHIP, or UPP), the State enrolls you in the cHIE. The cHIE provides a safe place for participating healthcare providers to share and view patient medical information. You may opt out of the cHIE at any time. For more information or to opt out of the cHIE, visit www.mychie.org or call your healthcare provider.
CHANGES YOU MUST REPORT

If you receive medical coverage benefits, you must report changes (for you and your household members) within 10 days of the change. Report changes to DWS at www.jobs.utah.gov/mycase or by calling 1-866-435-7414.

- Changes in living situation such as
  - Marriage, separation, divorce, or absent parent returns to the home
  - Pregnancy; birth of a baby, or end of a pregnancy
  - Address, phone number or email address changes; moving out of state
  - Household member enters or leaves; moving in with someone else; death of a household member; entering a hospital, nursing home, jail or prison

  - Receipt of SSI or SSA income, unemployment, or educational income
  - Receipt of Veteran's benefits, retirement, or trust income
  - Receipt of lump sum payment, injury/accident awards, lottery or gambling income
  - Getting help to pay your household expenses
  - Changes in a child's income or student status

- Tax filing status and dependents

- If you are 65+, blind, disabled, or you pay to receive Medicaid, report changes in assets you own such as
  - Getting an asset like cars, trucks, recreational vehicles
  - Buying, selling or value changes in a home, real estate, stocks, bonds, trust funds, life insurance, burial funds, retirement funds, or receipt of an inheritance

- Changes in expenses you must pay
  - Changes in child care or dependent care costs
  - Changes in alimony or child support
  - Changes in shelter or utility costs
  - If someone else pays your living expenses

- Changes in immigration or alien status

(If you only receive CHIP or Utah's Premium Partnership for Health Insurance (UPP), you only have to report income changes at your annual review, and you do not have to report changes in expenses.)

These lists are examples and are not all-inclusive.

AVOID OVERPAYMENTS: If you do not make timely reports of changes, you can incur an overpayment of benefits. We pay some benefits monthly, like premiums to your Medicaid health plan, even if you do not see a medical provider. You will have to repay these benefits if you receive Medicaid for months when you were not eligible.

This includes registering for work, completing an online job assessment and training modules, and applying for 48 jobs. These activities must be completed within a 3-month period. Individuals who meet one of the following reasons will be exempt from the participation requirement. If the Department can determine you meet an exemption with information we already have, you will not be asked to provide additional proof. You will be notified if you are required to participate.

- Age 60 or older;
- Pregnant or within the 60-day post-partum period;
- Physically or mentally unable to meet the participation requirements as determined by a medical professional;
- Responsible for the care of a dependent child under the age of six (only one parent per child);
- Responsible for the care of a person with a disability as defined by the ADA (only one parent per disabled person);
- A member of a federally recognized tribe;
- Currently receiving unemployment insurance benefits, or awaiting an eligibility determination for those benefits;
- Enrolled at least half time in any school (including, but not limited to, college or university) or vocational training or apprenticeship program;
- Participating in refugee employment services offered by the state, which include vocational training and apprenticeship programs, case management, and employment planning;
- FEP recipients who are working with an employment counselor;
- A beneficiary in compliance with or who is exempt from SNAP and/or FEP employment requirements; or
- Working at least 30 hours a week or working and earning at least what would equal the federal minimum wage earned working 30 hours a week.

Individuals who do not qualify for an exemption may qualify for ‘good cause’ to not participate in the Community Engagement activities. If one of the following apply to you, good cause may be granted:

- Have a disability as defined by the ADA, section 504 of the Rehabilitation Act, or section 1557 of the Patient Protection and Affordable Care Act and was unable to meet the requirement for reasons related to that disability; or has an immediate family member in the home with a disability under federal disability rights laws and was unable to meet the requirement for reasons related to the disability of that family member; or the beneficiary or immediate family member, who was living in the home with the beneficiary, experiences a hospitalization or serious illness;
- Experience the birth, or death, of a family member living with you;
- Experience severe inclement weather (including natural disaster) and therefore was unable to meet the requirement;
- Have a family emergency or other life-changing event (e.g. divorce or domestic violence);
- Have no access to internet or transportation to a place where the requirements can be completed, such as a job center or library, to complete the requirements;
- There are fewer than 48 employers in your geographic area that potentially could offer employment to you or from where you reasonably could be expected to accept an offer of employment (including considerations related to, for example, your ability to obtain transportation to the employment site); in this case, the number of required employer contacts shall be reduced to an appropriate level so you are not required to make applications for employment that are likely to be futile; or
- Are the primary caretaker of a child age 6 or older and was unable to meet the requirement due to childcare responsibilities.

If you feel you may have a good cause reason not listed above, please contact your DWS worker at 801-526-0950 or toll free at 866-435-7414.
