

This chart outlines the provisions of Senate Bill 96 (2019 General Session). The Bridge Plan will take effect on April 1, 2019 and will remain in place until one of the other three options is approved by CMS. If the Per Capita Cap Plan does not receive federal approval by January 1, 2020, the Fallback Plan will be requested by March 15, 2020. If no waiver approval is received by July 1, 2020, then the State will implement the Full Expansion Plan.
