David Meadows, Auditor
288 North 1460 West
Salt Lake City, UT 84116

Mr. Meadows,

Enclosed is the amended independent accountant's report on the Adjusted Medical Loss Ratio (MLR) of Four Corners Community Behavioral Health Prepaid Mental Health Plan for the state fiscal year ending June 30, 2021. As you are aware, we have updated the 3-2-1 administrative fee in the MLR calculation to only be included in the Medicaid Legacy population based on information provided by the Utah Department of Health and Human Services.

Please destroy all copies of the previously issued report(s) dated August 25, 2022. Please share the amended report with all parties previously receiving a copy of the original report and ask them to destroy all original report copies.

If you have any questions, do not hesitate to contact us.

Sincerely,

Myers and Stauffer LC

The background features a blurred image of a person's face and hands, overlaid with a green geometric pattern of lines and shapes. Various medical icons are scattered throughout, including a syringe, a pill, a stethoscope, a microscope, a group of people, and a virus particle. A large green cross is centered over the person's face.

Independent Accountant's Report

We have examined the Medical Loss Ratio Report of Four Corners Community Behavioral Health (health plan) Prepaid Mental Health Plan for the state fiscal year ended June 30, 2021. The health plan's management is responsible for presenting information contained in the Medical Loss Ratio (MLR) Report in accordance with the criteria set forth in the Code of Federal Regulations (CFR) 42 § 438.8 and other applicable federal guidance (criteria). This criteria was used to prepare the Adjusted Medical Loss Ratios. Our responsibility is to express an opinion on the Adjusted Medical Loss Ratios based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Adjusted Medical Loss Ratios are in accordance with the criteria, in all material respects. An examination involves performing procedures to obtain evidence about the Adjusted Medical Loss Ratios. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risk of material misstatement of the Adjusted Medical Loss Ratios, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements related to our engagement.

The accompanying Adjusted Medical Loss Ratios were prepared from information contained in the Medical Loss Ratio Report for the purpose of complying with the criteria, and are not intended to be a complete presentation in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the Adjusted Medical Loss Ratios are presented in accordance with the criteria, in all material respects, and the Adjusted Medical Loss Ratios for the mental health and substance abuse legacy and expansion populations meet or exceed the Centers for Medicare & Medicaid Services (CMS) requirement of eighty-five percent (85%) for the state fiscal year ended June 30, 2021.

This report is intended solely for the information and use of the Utah Department of Health and Human Services, Milliman, and the health plan and is not intended to be and should not be used by anyone other than these specified parties.

Schedule of Report Disclosures

Note #1 – MLR reporting period does not align with the rating period.

The Utah Department of Health and Human Services (UDHHS) had an 18-month rating period of January 1, 2020 through June 30, 2021 for the Expansion population. The MLR Report was developed by the UDHHS to capture data for the MLR reporting period of July 1, 2020 through June 30, 2021. Per 42 CFR § 438.8, the MLR reporting year should be a period of 12 months consistent with the rating period selected by the state. For purposes of this engagement, the 12-month MLR reporting period was examined.

Schedule of Adjustments and Comments for the State Fiscal Year Ended June 30, 2021

During our examination, we identified the following adjustments.

Adjustment #1 – To adjust incurred claims cost based on adjustments made to the PMHP financial report.

The health plan’s incurred claims cost was reported based on the claims cost included in the PMHP financial report. After performing verification procedures on the PMHP report, adjustments were made to the financial report for the following items:

- To correctly classify employees hours between Part A and Part B on Schedule 6.
- To remove prior year accrual from inpatient cost on Schedule 5.

These adjustments to the PMHP report impact the incurred claims cost reported on the MLR. The incurred claims reporting requirements are addressed in the Medicaid Managed Care Final Rule 42 CFR § 438.8(e)(2).

Proposed Adjustments					
		Legacy		Expansion	
Line #	Line Description	Mental Health Amount	Substance Abuse Amount	Mental Health Amount	Substance Abuse Amount
1.1	Incurred Claims	(\$18,324)	\$218	(\$7,701)	\$116

Adjustment #2 – To adjust examination fees, state premium taxes, local taxes and assessments to state reported amounts.

The health plan did not report an administrative fee, deemed to qualify as a state assessment by UDHHS, on its MLR. An adjustment was proposed to include the Medicaid managed care portion of the fee. The qualifying tax reporting requirements are addressed in the Medicaid Managed Care Final Rule 42 CFR § 438.8(f)(3).
