STATE OF UTAH

OFFICE OF THE GOVERNOR
SALT LAKE CITY, UTAH
84114-2220

GARY R. HERBERT
GOVERNOR

GREG BELL
LIEUTENANT GOVERNOR

Dear Health Summit Participant,

Welcome to the third annual Governor's Health Summit! The theme of this year's summit is "Utah Solutions for Utah's People." I chose the theme to reflect my commitment to finding solutions that best address the unique challenges we face. Utah is unlike any other state, and as such our approach to health reform has also been unlike any other state's.

We have assembled a far-reaching, diverse community workgroup to study thoroughly our options when it comes to the possibility of expanding the state's Medicaid program. Members of the workgroup will share the results of their work with you today. I am committed to considering their input as part of the deliberative process I will use to make a decision that is in the best interest of *all* Utahns.

Two years ago, at my first health summit, hundreds of leaders from the health, education, business, and advocacy communities joined with policy makers to lay the groundwork for my Health Innovations Plan. They identified five key areas of health and health care where we could make a real difference in driving down costs while improving quality and access. The efforts of these dedicated professionals over the past two years are paying off, and I look forward to sharing their progress with you.

Thank you for being here today. Your attendance is a demonstration of our shared commitment to ensuring the best health and health care for all Utah residents.

Sincerely,

Gary R. Herbert
Governor

FEATURED SPEAKER

Gary R. Herbert
Governor of State of Utah

Gary Richard Herbert is Utah's 17th Governor. He took the Oath of Office on August 11, 2009.

Governor Herbert is focused on four cornerstones to strengthen Utah's economy: education, energy, jobs, and the ability of the State to solve its own problems. As a result, Utah is a premier destination for business, jobs, and an enviable quality of life. Under Governor Herbert's leadership, Utah has been recognized as the "Best State for Business and Careers" by Forbes magazine and the "best State to live in" by GALLUP.COM, among other accolades.

The Governor currently serves as the Chair of the Western Governors Association (WGA), on the Executive Committee of the National Governors Association (NGA), and on the Education and Workforce Committee of the NGA.

Prior to becoming the state's chief executive, Governor Herbert served as Lieutenant Governor for five years. In 1990, the Governor was appointed to the Utah County Commission. During his 14 years as county commissioner, he served as president of the Utah Association of Counties and the Utah Association of Realtors, and as a board member of the Provo Orem Chamber of Commerce and Utah Water Conservancy District.

Governor Herbert met his wife, Jeanette Snelson, at Brigham Young University. Shortly after their marriage, the Governor joined the Utah National Guard where he served for six years. He and Jeanette were small business owners for 23 years. The Herberts are the proud parents of six children and 15 grandchildren.

KEYNOTE SPEAKER

Jason Hwang
