

Instructions for CMS-1500 Claim Form

The explanation for the CMS-1500 Claim Form is available from the insurance commissioner through the Utah Health Information Network (UHIN) web site: <http://www.uhin.com> , therefore, Utah Medicaid no longer provides an explanation for the CMS-1500 Claim Form. Providers who use the paper claim form should access the UHIN web site: <http://www.uhin.com> for Specification 56 Professional claim. The purpose of UHIN Specification #56 Professional Claim (CMS-1500) is to clearly describe the standard use of each box.

UHIN provides software necessary to submit claims electronically. Providers may access this feature by calling UHIN at (801) 466-7705.

<p>Please note that a claim cannot be accepted, nor can payment be made, without a correct provider number entered on the claim form (Box 33). Effective May 23, 2007, medical providers must bill with their National Provider Identifier (NPI) number.</p>
