

COVID-19 Positive Skilled Nursing Facility

City Creek Post Acute

Admission Announcement

City Creek Post Acute has been designated as a COVID-19 positive only skilled nursing facility. The facility began accepting admissions on April 16, 2020.

COVID-19 positive admissions are limited to those who:

- Meet nursing facility level of care. This site is limited to COVID-19 positive individuals who have nursing facility support needs. It is not for those who simply need a place to convalesce.
- Do not need any aerosolizing procedures including: nebulizing treatments, ventilators, suctioning, CPAP, or BiPAP treatments

Entities referring COVID-19 patients could be:

- Acute care hospitals
- Skilled nursing facilities
- Community settings when the person's condition warrants skilled nursing facility level of care
