

MCAC - Medicaid Unwinding Report

January 19, 2023

Volume

Individuals Open for Medicaid

Monthly Updates

- End of Continuous Medicaid Enrollment - The Consolidated Appropriations Act (CAA) sets the Medicaid continuous enrollment end date of April 1, 2023. Effectively de-linking the unwinding of the eligibility rule from the PHE.
- 60 day federal notice - The PHE is currently renewed through April 11th. When the PHE ends, several benefits will change and the COVID-19 Uninsured Medicaid group will end.

Communication

- General Notice was sent to print and will mail by the end of January. Three other notices will follow, all will be included on the unwinding webpage.
- Unwinding webpage will be updated with changes to the plan now that the dates are more certain. Key unwinding dates will be added to the webpage and the plan.

Next steps

- Continued planning - updating materials and member notices
- Renewal Distribution to occur in February
- Required CMS reports being finalized and sent to CMS in February
- DWS Eligibility worker training has started
- Unwinding Data Dashboard to go live on 2/13/23
