Monthly Updates

- End of Continuous Medicaid Enrollment - The Consolidated Appropriations Act (CAA) sets the Medicaid continuous enrollment end date of April 1, 2023. Effectively de-linking the unwinding of the eligibility rule from the PHE.
- We have begun implementing our unwinding plan. We expect approximately 29,000 integrated medical cases to be reviewed each month starting March 1, 2023.
- Renewal Distribution form and System Artifacts were submitted to CMS 2/15/2023
 - Renewal Distribution form added to unwinding webpage
- Unwinding Data Dashboard was refreshed on 3/13/2023.

- End of the Public Health Emergency (PHE) - 60 day federal notice for the end of the PHE was announced. The PHE will be ending May 11, 2023. Several benefits will change and the COVID-19 Uninsured Medicaid group will end.

Communication

- The General Notice (light green) was mailed to members the first week of February. Three other notices (CHIP - light yellow, Spenddown - light blue, and Emergency services - light pink) are being mailed now to members. All are included on the unwinding webpage. <https://medicaid.utah.gov/unwinding/>
- The unwinding webpage was updated to include key unwinding dates, talking points, and eligibility data. Any new information will be quickly posted there. For more information please visit our webpage: <https://medicaid.utah.gov/unwinding/>
