APPLICATION PROCESSING

1. Total pending applications received between March 1, 2020 and the end of the month prior to the state's unwinding period **3799**

Unable to report **No**

1a. Total MAGI and other non-disability applications **3779**

Unable to report **No**

1b. Total disability-related applications	20
---	-----------

Unable to report	No
------------------	-----------

Metric 1 Notes

1. The State of Utah has worked to clean up our pending applications data. We have removed duplicate cases, non-medical program applications, switching between program counted as applications, etc.

1a. When the State of Utah receives a medical application, they are all registered as a "generic medical" program until a worker can address the application and determine which coverage group the application belongs with (MAGI or Non-MAGI). All the generic medical programs are added to this line.

1b. Line 1a includes potential pending disability applications that have not been identified yet. This number is specific to those we have identified as disability related applications.

2. Of those applications included in Monthly Metric 1, the total number of applications completed as of the last day of the reporting period	160
--	------------

Unable to report	No
------------------	-----------

2a. Completed MAGI and other non-disability related applications as of the last day of the reporting period	158

Unable to report	No
------------------	-----------

Metric 5 Notes

{Empty}

5a. Of the beneficiaries included in Metric 5, the number renewed and retained in Medicaid or CHIP (those who remained enrolled)	17101
--	--------------

Unable to report	No
------------------	-----------

5a(1). Number of beneficiaries renewed on an ex parte basis	6254
---	-------------

Unable to report	No
------------------	-----------

5a(2). Number of beneficiaries renewed using a pre-populated renewal form	10847
---	--------------

Unable to report	No
------------------	-----------

Metric 5a Notes

5a(1) This is the number of individuals renewed via ex parte from March 1, 2023 to March 10, 2023, prior to the state sending pre-populated review forms.

5a(2) This is the number of individuals renewed after March 10, 2023, pre-populated review forms had been sent. It is possible that some individuals were renewed via ex parte despite sending the pre-populated review forms.

5b. Of the beneficiaries included in Metric 5, the number determined ineligible for Medicaid or CHIP (and transferred to Marketplace)	2108
---	-------------

Unable to report

No

Metric 5b Notes

Although 2,108 individuals were determined ineligible, only 205 individuals were sent to the Marketplace prior to May 1. We recognize this was a lower number than expected and are actively investigating the system issue to ensure all individuals determined ineligible are timely transferred to the Marketplace.

5c. Of the beneficiaries included in Metric 5, the number terminated for procedural reasons (i.e. failure to respond)
