APPLICATION PROCESSING

1. Total pending applications received between March 1, 2020 and the end of the month prior to the state's unwinding period	**3799**
Unable to report	**No**
1a. Pending MAGI and other non-disability applications	**3779**
Unable to report	**No**

1b. Pending disability-related applications	**20**

Unable to report	**No**

Metric 1 Notes
Note 1: The State of Utah has worked to clean up the pending applications data. We have removed cases with duplication, non-medical programs, switching between program, etc.

Note 1a: When the State of Utah receives a medical application, they are all registered as a "shell medical" program until a worker can address the application and determine to which coverage group the applcation belongs (MAGI or Non-MAGI). All the shell medical programs are added to the this line.

Note 1b: Line 1a includes potential pending disability applications that have not been identified yet. This number is specific to those we have identified as disability related applications.

RENEWALS

2. Total beneficiaries enrolled as of the end of the month prior to the state's unwinding period	**526682**
