Unable to report | No

**Metric 5b Notes**
Although 785 unique individuals were closed, only 333 were sent to the marketplace. We recognize this was a lower number than expected and continue to investigate the system issue to ensure all individuals determined ineligible are timely transferred to the Marketplace. A system fix was implemented in mid-May.

This number includes individuals who have passed away, moved out of state, or requested closure; these closure reasons would not result in a transfer to the marketplace.
