Medicaid Eligibility

Eligibility Groups - Options for Coverage
Individuals with Tuberculosis

1902(a)(11)(A)(i)(XII)
1902(z)

Individuals with Tuberculosis - The state elects to cover individuals infected with tuberculosis who have income at or below a standard established by the state, limited to tuberculosis-related services.

☐ Yes  ☐ No

☑ The state attests that it operates this eligibility group in accordance with the following provisions:

☐ Individuals qualifying under this eligibility group must meet the following criteria:

☐ Are infected with tuberculosis.

☐ Are not otherwise eligible for mandatory coverage under the Medicaid state plan.

☐ Have household income under a standard established by the state.

☐ MAGI-based income methodologies are used in calculating household income. Please refer as necessary to 810 MAGI-Based Income Methodologies, completed by the state.

☐ Income standard used for this group

☐ Maximum income standard

First indicate the maximum income standard that could be used for this group and then indicate the income standard the state uses for the group.

The state elects to convert the effective income level for coverage of this eligibility group in effect in the Medicaid state plan as of March 23, 2010 and December 31, 2013 to MAGI-equivalent standards.

☐ Yes  ☐ No

The state's maximum income standard for this eligibility group is:

☐ The break-even point for earned income under the SSI program.

☐ The effective income level for this eligibility group under the Medicaid state plan in effect as of March 23, 2010, not converted to a MAGI-equivalent standard.

☐ The effective income level for this eligibility group under the Medicaid state plan in effect as of December 31, 2013, not converted to a MAGI-equivalent standard.

☐ Income standard chosen

The state's income standard used for this eligibility group is:

☐ The maximum income standard.

☐ If not chosen as the maximum income standard, the break-even point for earned income under the SSI program.

☐ Another income standard less than the maximum standard allowed.

☐ Individuals qualifying under this group are eligible only for the following services, provided the service is related to the diagnosis, treatment or management of the individual's tuberculosis.

☐ Prescribed drugs, described in 42 CFR 440.120

TR: 01/14/2014 Approval Date: 05/14/2014 Effective Date: 01/01/2014

Utah
