SECTION 1 - SINGLE STATE AGENCY ORGANIZATION (Continued)

Citation 1.4 State Medical Care Advisory Committee

42 CFR 431.12(b) There is an advisory committee to the Medicaid agency director on health and medical care services established in accordance with and meeting all the requirements of 42 CFR 431.12.

42 CFR 438.104 The State enrolls recipients in MCO, PIHP, PAHP, and/or PCCM programs. The State assures that it complies with 42 CFR 438.104(c) to consult with the Medical Care Advisory Committee in the review of marketing materials. The State does not allow marketing as defined in 438.104(a).

Tribal Consultation Requirements
Section 1902(a)(73) of the Social Security Act (the Act) requires a State in which one or more Indian health programs or Urban Indian organizations furnish health care services to establish a process for the State Medicaid agency to seek advice on a regular, ongoing basis from designees of Indian health programs, whether operated by the Indian Health Service (IHS), Tribes or Tribal organizations under the Indian Self-Determination and Education Assistance Act (ISDEAA), or Urban Indian organizations under the Indian Health Care Improvement Act (IHCIA). Section 2107(e)(I) of the Act was also amended to apply these requirements to the Children’s Health Insurance Program (CHIP).

Consultation is required concerning Medicaid and CHIP matters having a direct impact on Indian health programs and Urban Indian organizations.

The Utah Department of Health (UDOH) and Utah Medicaid utilize an established model to seek advice on a regular, ongoing basis from Utah Tribal governments, IHS and the Urban Indian Organization. The three key components of the model are the Utah Federally Recognized Tribal Consultation Policy, the Utah Indian Health Advisory Board (UIHAB), and the UDOH Indian Health Liaison/Health Policy Consultant.

UDOH Tribal Consultation Policy is the framework for how the State, Tribal governments, Urban Indian Organization, UDOH, and Medicaid communicate regarding all health issues. This policy is signed by all Utah Tribal leadership, the Governor, the UDOH Executive Director, and the Urban Indian Organization. The policy delineates the responsibilities of UDOH, UIHAB, and the UDOH Indian Health Liaison.

T.N. # 10-011 Approval Date 4-7-11
Supersedes T.N. # 03-016 Effective Date 10-1-10
Tribal Consultation Requirements (Continued)

UIHAB is comprised of appointed health representatives from all seven Tribal governments, IHS and the Urban Indian Organization in Utah. In addition, UIHAB has representation from three Indian Health Services Area Offices providing services to American Indian/Alaska Natives (AI/AN) in Utah, Albuquerque, Navajo, and Phoenix. This Board meets monthly and is facilitated by the UDOH Indian Health Liaison. The meeting has several standing agenda items that include Medicaid, CHIP and SPA/Rulemaking. All State Plan Amendments and waivers will be presented to the Board. The items or updates are presented to the Board as the initial step in the consultation process. If UIHAB or any individual Tribe feels the need for further consultation specific to the issue at hand, a formal request is made (as noted in Consultation policy) and a separate consultation meeting is scheduled specific to that issue. If there are no impacts noted from UIHAB representatives, no further discussion is required.

The UDOH Indian Health Liaison schedules and facilitates UIHAB meetings, tracks information and requests, ensures there are appropriate meeting minutes, and coordinates with the UIHAB Executive Committee to set the agenda. The Indian Health Liaison reports on a quarterly basis to the Utah Tribal Leaders on issues that include health care access, barriers to care or services, improvements, projects, data, policy initiatives and updates, and other UDOH business impacting tribal and Urban Indian communities.

If additional consultation is requested, the liaison works with UDOH and the Tribe(s) requesting consultation to plan and carry out a consultation meeting. The liaison documents any steps taken and sends out final documentation to UDOH and the Tribe(s).

Tribal Consultation Requirements (Continued)

The Indian Health Liaison was contacted by Medicaid in April 2010 for guidance on the best process to inform Utah Tribal and Urban Indian organization representatives of this new consultation requirement for Medicaid and CHIP. The UIHAB Executive Committee was informed and approved the request for standing agenda items for Medicaid and the CHIP State Plan. The new standing agenda item was placed on the agenda for the July 2010 UIHAB meeting.
